Subject: Docket #99-00507; Lynwood Utility response to Petition for
Reconsideration

Dear Mr. Waddell,

I received a copy of the response to my Petition for Reconsideration that Donald Scoles prepared for Lynwood Utility and filed with the Authority on June 8.

I have written a reply to the three points contained in their response that are the basis of their challenge to the Petition for Reconsideration

I have been out of town since last Friday attending my mother-in-law's funeral in Florida and did not return until last night. I did not see Lynwood's response until we returned. I apologize for my delay sending this to you.

The attached document is my reply to Lynwood's response. Tomorrow, I will fax a copy to you along with the referenced exhibits, and will follow up with a copy in the mail to you, Mr. Scoles, and Davis Lamb at Lynwood Utility.

In your June 8 letter to Mr. Scoles, you told him that this matter will be considered by the Directors during the June 20 Authority Conference. Is that a meeting that I can, or should, attend?

Thank you for all you have done to help me understand this process.

Very truly yours,

Chris Martin
